Conditional Use Permit

Dear Mr. Shingu:

The Planning Commission considered and approved your project on January 8, 2019.

As the County determined that the scope of the project did not change significantly, the previously approved Mitigated Negative Declaration would still be utilized. As such, there are no recording fees due.

As you are aware, there was a 15-day appeal period commencing on the date of decision for this project. This is a standard process to allow those who object to the decision to appeal the decision. This 15-day period ended on January 23, 2019 at 5:00 PM. No appeals were received.

If you have any questions, please feel free to contact me at (559) 675-7821.

Sincerely,

Robert Mansfield, AICP
